

# Weekly Game Plan

----->

The purpose of this Weekly Game Plan is to help group leaders identify the materials that they will need for each week of the one-year challenge. Weekly Reviews also have “Helpful Resources” listed at the top. Notice below, before the 52 weeks begin, there are several preparatory steps to take. In the parentheses are listed the sections where you will find what you need. If you are not leading a group, these two pages may not be helpful.
